

Join Burnaby's Community Safety Advisory Committees

We want to hear your suggestions and ideas to improve community safety. The City of Burnaby is seeking volunteers to serve on local Community Safety Advisory Committees throughout the City.

Committee members work with other community safety partners such as police and Crime Reduction staff to identify and find new solutions to community safety challenges. These committees facilitate important dialogue between the community, the City, and Police.

Application deadline: **November 30, 2023.**

To apply, email crimeprevention@burnaby.ca
