Support for Children with Life Threatening Allergies

If your child has a life-threatening allergy, a completed **Accommodation Request—Life Threatening Allergy** form is required before the first session of the afterschool program. If you have not completed the form in the past for a City of Burnaby program, it can be found at www.burnaby.ca/recreation-and-arts/activities-and-registration/program-forms or we can email it to you. Information from your child's doctor will be required to complete this form.

It is the responsibility of the parent/guardian to ensure children are dropped off and picked up from their program. If your child is walking home, a signed note must be given to the program leader at the start of the program or the community coordinator must be contacted.

TELL US WHAT YOU THINK!

We are committed to providing you and your family with quality programs. Please take a moment to complete our afterschool program survey and tell us how we are doing!
